The latest existing examination criteria from 2016 made by Doshu has to be followed.

Any permission given by Doshu to the individual examiners that is outside of those criteria is valid.

The guidelines allow exceptions – please speak to the Board beforehand if any problems arise due to local or personal circumstances.

The guidelines describe the minimum requirements for grade and examiner; you can choose to apply the guidelines in a more strict way.

For Shoden to Yondan examinations, the examiner should send an email to diploma@knki.org, with following information regarding the examination: examination grade, examinee's name, examinee's dojo, examinee's country, date of examination and examiner name.
